Experience

Standard General L.P.

New York, NY

From 2007 to Present, I have been the Chief Investment Officer of Standard General L.P., a private equity fund. I have been responsible for the overall investment strategy and portfolio management of the fund. I have managed a portfolio of investments totaling over \$1 billion. I have worked closely with the fund's investors and management to ensure the fund's success. I have also been involved in the fund's fundraising efforts and have helped to secure commitments from leading investors. I have a strong track record of identifying and investing in high-quality companies. I have a deep understanding of the private equity industry and the challenges of managing a private equity fund. I am a strategic thinker and a team player. I am committed to the success of the fund and its investors.
