INTRALOT, established in 1992, is the leading player in a changing world of gaming. With significant experience in looking forward and anticipating emerging trends, we provide intelligent solutions to licensed operators around the world. Together with our partners, we realize the potential of the licensed gaming industry and try to influence, or even invent its future, offering compelling player experiences across diverse geographies and sales channels.

At INTRALOT we offer the ultimate customer journey, a holistic approach with products and services that drive player engagement and personalized entertaining experiences.

Besides being the most flexible and reliable partner of lotteries around the globe, we're also a licensed gaming provider and one of the world's top sports betting operators, leading the way in the digital era. To us, this leadership comes with responsibility: to deliver value to all stakeholders, including our employees and our communities, and offer players around the world the outstanding quality, convenience and innovative offerings they expect.

The purpose of this manual is to provide guidelines for the correct use of the INTRALOT name and logo-emblem, in all its corporate and promotional activities.

6 3 (&), & \$ 7 , 2 1 6) 2 5 , - « 8 6 (2) , - « , 1 7 5 \$ / 2 7 2 © ± «

The name INTRALOT is a registered trademark of INTRALOT S.A. The INTRALOT logo and the names that include "I R L T" and other registered trademarks are property of INTRALOT S.A. The associates of INTRALOT have no right on or share of the logo and name, except when they have explicit, written authorization by INTRALOT S.A., and only in the manner indicated in this manual. When you use this mark, it is necessary to follow the guidelines set by INTRALOT S.A.

7 < 3 / 6 (2) , 1 7 5 \$ / 2 7 6 5 (* , 6 7 (5 (' 7 5 \$ ' (0 \$ 5 . 6

1. The INTRALOT logo can be used by associates in locations used for the demonstration of products in advertisements, etc., in order to declare the fact that they use or trade INTRALOT's products, as long as the logo is used according to the indications contained in this manual.
2. The INTRALOT logo cannot be used by associates on their company's business cards, stationery or other corporate items, as this kind of use might be confusing to others and create the false impression that the associate's business belongs to INTRALOT.

8 6 (2) , - « , 1 7 5 \$ / 2 7 2 © ± « \$ 1 ' 2 7 + (5 7 (5 0 6 7 2 ' (& / \$ 5 (, - « & % 8 6 , 1 (6 6 5 (/ \$ 7 , 2 1

Associates can use the "I R L T" name when it is part of a declaration of a true fact (for example, the term "INTRALOT products or software"). However, please make sure that you follow the guidelines indicated in this manual carefully and that your relation with INTRALOT is clearly understood by clients.

8 6 (2) , - « , 1 7 5 \$ / 2 7 2 © ± « 8 1 7 + , 5 ' 3 \$ 5 7 , (6

In case that third parties want to use INTRALOT's name, they must submit a written application to INTRALOT, which will decide, at its discretion, whether to allow the use of the name "I R L T" or not.

No third party is allowed to use the name "I R L T" as a commercial name or corporate logo or stores name for any use or in any advertisement or insertion in the press, except with the explicit written permission of INTRALOT S.A., according to the specifications.

When one color printing is required, the INTRALOT logo should be applied in total white or black color accordingly.

When placing the INTRALOT logo on colored or complex backgrounds, it should be applied in total white.

Additionally, when placing the INTRALOT logo on pastel, it must be ensured that the logo will be applied in its official colors.

Adhering to these guidelines will ensure proper reproduction an

INTRALOT Group of companies should follow the guidelines of this logo manual in their company's logo. Specifically, each country name should be placed below the logo line in grey official color.

Segoe UI is INTRALOT's type family in all written documents and digital tools.
